Dear Freind:

I dont suppose you will be too surprised to hear from me, as the baseball season is drawing near.

I am on my way south, going as far as Florida. I want to see about training sites. I am planning to telephone you from possibly Laurenburg. I want to talk to you about some things. The main thing right at this time is some dates during training. The main one is Easter Sunday. Have you made any plans as yet for that date? I also want to arrange some dates for the week following.

I will make an effort to reach you on the phone about Wednesday or Thursday of next week. This is Jan. 9th or 10th. I expect to spend Tuesday night Jan. 8th in Richmond Va. I can be reached there at The Elks Club 526 N. 2nd St. in care of Joe Miles. Send me a phone number where I can reach you.

Very Truly Yours
